

Request for Meetings

It is the desire of the Stewart County School System to provide parents with opportunities to request meetings, to formulate suggestions, and to participate in decisions relating to the education of their children. If you would like to request a meeting with the administration of your child's school or with your child's teacher please contact the school administration and a meeting will be scheduled. You may contact your child's teacher, directly by clicking on the school's link and then the teacher's name, or by leaving the teacher a voicemail at the school.
