Attention Students & Parents: Many of the open times are available by appointment if needed. Also many of the time limits may be extended if needed. Communicate with teachers and take advantage of tutoring opportunities. The best way to contact teachers is through email. All email addresses are available on our website: <http://stewartcountyschools.net/schs/> The library offers many services before, during, and after school hours including: project help, computer assistance, research assistance, make-up testing, etc.
